

FALL OPEN HOUSE

The Urbana-Champaign Independent Media Center invites the public to get to know our programs, working groups, and projects in our Fall IMC Open House, where staff, volunteers, and working groups will show you the ropes, speak about our projects, and highlight the IMC's impact in the C-U community over the past few years.

If you're interested in indymedia, arts, technology, and social change, this event is not to be missed! We'll have refreshments on site and offer bus tours of the IMC's impact in the community (tours are offered at 1:30pm and 2:30pm). Come check out the The Bike Project, Champaign-Urbana Citizens For Peace and Justice (CUCPJ), Books to Prisoners, Makerspace Urbana, The School for Designing a Society, Remaking Matters, Outta the Mouths of Babes, WRFU, Public i, etc!
