LIVE INSECTS TO SERENADE INDI GO ARTIST CO-OP

“Music & Insects”, a concert bringing together experimental music by composer Barry Morse and the songs of live insects will take place at indi go Artist Co-Op on Saturday, March 17th from 7:30 to 10:30pm. Live acoustics and woodwind pieces inspired by insects and performed by Barry Morse will accompany the amazing music of live insects amplified by Michelle Duennes and Jungkoo Kang and dance performed by Jessica Cornish. Not a performance to miss, it is \$10 for adults and \$5 for students and artists at the door.

indi go Artist Co-Op was opened in April 2009 under the belief that “Visual Space Has Essentially No Owner”. It operates as a gallery, music venue, and performance space for artists, musicians, and performers in the Champaign-Urbana area. For more information please visit indi-go-art.com.
