DANVILLE BAND, CLOUD GAVIN, TO PERFORM WITH LOCAL MUSICIAN KIRBY JAYES AT INDI GO

On Saturday, March 24th at 8pm Danville band Cloud Gavin will perform at indo go Artist Co-Op with local musician Kirby Jayes of An Evening with Your Mother. Admission cost for the evening is \$5 at the door.

Cloud Gavin is a prog-rock/indie-rock/alternative band from Danville, Illinois forming its roots in established bands like Brand New, Balance & Composure, and Taking Back Sunday. "The Illinois-based group proves to be the definition of a musical melting pot in the most extreme sense of the term. From post-hardcore to progressive rock, their free debut LP *Recycle and Create* flaunts a plethora of influences that possess the ability to create something fantastic if blended just right", Music Michael Mind.

Kirby Jayes is a singer-songwriter who also plays guitar in a band called An Evening With Your Mother. As a solo performer he draws inspiration from the American canon of folk music as well as the alt-rock stylings of groups like Radiohead. While his focus remains on his main musical group, this solo project exists to give light to his more non-traditional songwriting urges.

indi go Artist Co-Op was opened in April 2009 under the belief that "Visual Space Has Essentially No Owner". It operates as a gallery, music venue, and performance space for artists, musicians, and performers in the Champaign-Urbana area. For more information please visit indi-go-art.com.
