LEAL SCHOOL THIRD GRADERS TO DISPLAY ART WORK IN NINTH SPRING EXHIBITION

Join indi go Artist Co-Op for a presentation of the work from the Leal School third graders of Room #213. The opening reception will take place on Saturday, May 5th from 4-7pm. Open gallery hours will take place the day before, Friday, May 4th, from 3-6pm. All donations for work will be donated directly to the Champaign County Humane Society.

"We (Leal School, Room #213) are trying to understand and promote altruistic behavior. We are creating acrylic art work of meaningful places. Although we have only been alive nine springs these areas that we are painting have a strong personal meaning to us. We are trying to capture the feelings that we get when we see, hear, touch, and even smell these enduring spaces. We offer these art pieces to you with the request of a monetary donation. You set the price. All proceeds will be donated to the Champaign County Humane Society. This is a community organization that we as students feel very strongly about because we love animals and we would like to see them get the best care our community can offer." - Leal School Room #213 third graders
