

Common Ground Food Co-op's Sustainable Food Scholarship

The Sustainable Food Scholarship is Common Ground's annual educational scholarship.

Each year, a different local high school senior or undergraduate student is awarded the scholarship due to his or her passion for and commitment to the sustainable food movement.

The scholarship itself is a monetary contribution to college tuition, donated throughout the previous year by Common Ground's customers.

Now Accepting Applications!

through March 31

Applications may be
picked up in-store
at Lincoln Square Mall in Urbana
and are available on our website
