

Greetings,

The *Earth First! Journal* Collective would like to invite your infoshop or collective to become an *EF! Journal* subscriber. It's important to us to stay connected to activist communities and community spaces, and to continue to reflect the voices of the eco-resistance movement in the *Journal*. In addition to subscribing, we want to extend the invitation to keep us informed of the events, actions and news that effect your bioregion. Article submissions, press releases, news, action alerts, announcements and invites to your events can all be e-mailed to: collective@earthfirstjournal.org. Thanks in advance for sending us your news!

We hope that you have been reading and enjoying the latest issues of the *Earth First! Journal*! We are excited about the work that we have been producing out of Florida with the return to the bound magazine format and we're hoping to increase circulation in 2013. To do that, we need your help! Please keep us posted on tabling opportunities in your area so we can discuss sending materials to you. Would you/your group or local infoshop or collective be interested in becoming a distributor of the *Earth First! Journal*? Distributors sell the *Earth First! Journal* at the \$6.50 cover price and make 50% of each sale.

Alternatively, you can become an *Earth First! Journal* Contact subscriber. We are currently offering a \$100 year subscription to EF! Groups & allies, tablers, infoshops and collectives to receive 10 copies of each issue for four issues. As an individual, group or infoshop with an *EF! J* Contact Subscription you can either distribute the *EF! Journal* for free or sell for donations to raise money for your space, project, campaign work or legal defense. If \$100 up front is too expensive but you are interested in subscribing, please contact us so we can work out a rate that is affordable for your collective. E-mail questions about becoming a distributor, tabler or subscriber to: distro@earthfirstjournal.org.

For the Wild,
—the *Earth First! Journal* Collective
