### **MTD ART Wall at Illinois Terminal**

A new installation at Illinois Terminal showcases MTD ART and its featured artists. Located across from the elevators on the first floor, the wall displays the same four artists that are featured inside all MTD buses.

### **MTD ART: Moving Pictures Through Your Neighborhood**

For as long as MTD has existed, its mission has been to seamlessly transport the rider from point A to point B. With **MTD ART: Moving Pictures Through Your Neighborhood**, a collaboration between 40 North, MTD, and Dixon Graphics, they are focusing on a different type of transportation: transportation of the mind. Selected artists will have the opportunity to share their talents with a whole new audience and riders will be introduced to the transcendent power of art! Four selected artists will be featured on the interior overhead panels of every MTD bus for a period of approximately 3 months. A new set will be posted each quarter: November 1, February 1, May 1, and August 1.
