

Delta Sigma Theta Sorority, Incorporated

Greetings:

The women of Delta Sigma Theta Sorority Inc. are so very grateful for your contribution and involvement in our 2014 Re-enactment of the Women's Suffrage March. This year's march focused on stopping the violence against young women. We believe that our message was heard as there was a number of young people present. Middle School girls from Franklin Elementary performed as well as girls from Central High School. There was also a powerpoint presentation from girls at Franklin which highlighted the dangers of bullying and violent behavior that challenged us all to think about how are actions and words, and sometimes inaction influence violence.

Because of you, our efforts did not go unnoticed. Attendees expressed enthusiasm following the march and fellowship regarding girls and women's experiences. We are certain that without your contribution the 2014 reenactment would have been such a great success. Again, thank you for your participation and ongoing support of Delta Sigma Theta in the Champaign-Urbana community. Please visit the websites below for more information on our upcoming events and initiatives.

Sincerely,
Teresa Blanden and Marissa Roberson
