## **PHOENIX OPEN HOUSE AND RIBBON CUTTING**

**We have a NEW HOME, and it's time to celebrate!** Both the offices for C-U at Home and our Phoenix Daytime Drop-In Center are now located at **34 E. Green Street** in Champaign. We are just ½ block east of Neil Street, under the railroad viaduct and on the north side of Green.

We have **special permission to use the Fat City/The Center City parking lot** for our open house. This parking location is immediately west of the railroad viaduct on the north side of Green Street.

Please stop by and check out our new location, meet our **board of directors and staff**, and find out more about our grassroots ministry to help our friends without an address. Our Open house will be from **4:00-6:00pm on Tuesday, April 19**. A special **ribbon cutting ceremony will take place at 4:30pm**.

The Phoenix provides a variety of new services to help the homeless. The Phoenix is laid out with plenty of tables and chairs, board games, 2 computers for public access to the Web, an art area with paint and drawing materials, a comfy living room, coffee for 25 cents a cup, a telephone public use, and the offer of our address to use to receive mail. We also offer two new exciting resources for our friends without an address—**laundry and shower** facilities.

Please stop by and find out how you might get involved with C-U at Home in our efforts to bring hope and healing to our vulnerable friends without an address.
