

Breaking the Silence

A Breaking and Making Mosaic Project

Monday, November 12

3-5:30pm, YMCA Murphy

Lounge (1001 S. Wright)

A breaking and making mosaic project led by Susan Parenti, School for Designing a Society.

Please bring something to break (i.e. a cup, saucer, glass, etc.), a plastic bag to break it in, an idea for what to create from the shards, and some sturdy vinyl gloves. You can also show up empty handed—we'll have extras.

Mosaics will be on display after the event.
