

Special Interest **BIG MONEY** is buying our elections.

Whatever your political stripe, we need a government that's by the people and for the people!

On Tuesday November 6, 2012 in the City of Warrenville and Lisle Township in DuPage County

November 6th let's take back our vote!

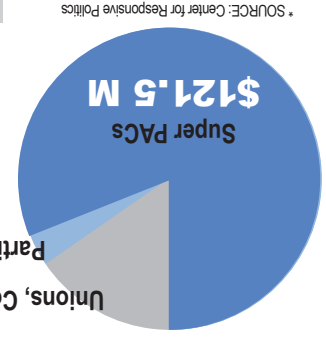

This is the question:

"Should the United States Constitution be amended to clearly state that only individual persons, and not corporations, associations, or any other organizational entities, are entitled to the rights enumerated in the Constitution?"

The "vote to amend" is part of a nationwide grass roots initiative in many counties across the United States.
