

# REPAIR AMERICA TOWN HALL

**Tuesday, July 15 ♦ 6:30 p.m.**  
**University of Illinois - Wohlers Hall**  
**Champaign-Urbana, IL**

The **United Steelworkers (USW)** and **Sierra Club** invite you to a town hall meeting hosted by the **BlueGreen Alliance** focused repairing America's infrastructure systems to create family-sustaining jobs, reduce carbon pollution, spur growth in clean energy, and address climate change.

The event will feature speakers talking about the economic and environmental opportunities America can attain by addressing climate change, including investing in America's infrastructure to prepare it for climate change; the nation's Climate Action Plan that includes limits on carbon pollution for power plants; and spurring growth in clean energy and energy efficiency.

Speakers include:

**Roxanne Brown**, Assistant Legislative Director, USW

**Jack Darin**, Executive Director, Illinois Sierra Club

**Cari VanAmburg**, Clean Line Energy LLC

**Kim Glas**, Executive Director, BlueGreen Alliance

**Tuesday, July 15**  
**6:30 p.m. CT**

**University of Illinois - Wohlers Hall**  
**1206 S. 6th St.**  
**Champaign-Urbana, IL**
