Come hear and share stories about any time you were gutsy, courageous, wild and outrageous. **THAT TAKES OVARIES** a collection of real-life stories from women & girls about the gutsy, outrageous, courageous things they have done. Multicultural, fun, sassy, true tales of estrogen-powered deeds, from playful to political. After, share stories about times you or the women in your life acted boldly. Everyone who speaks gets a chocolate egg wrapped in gold foil -- a Golden Ovary.
