

Books are Weapons

Fundraiser for **HaymarketBooks**

Books, and the radical ideas in them, are weapons in the class struggle.

This year marks the 10th Anniversary of the founding of Haymarket Books. Haymarket Books continues to operate on a modest budget. Building a new culture of democracy takes energy and commitment. It also takes resources. We publish books that the big corporate publishing houses won't touch. To find the readership that our books deserve, we rely on the solidarity and generosity of readers like you who share our values and our mission.

Every step of the last ten years of Haymarket publishing has been made possible by the generous, consistent support of allies who believe in the need for books that can change the world.

Come to the "Books are Weapons" fundraising party. All Haymarket titles on hand will be discounted. Donations for Haymarket will also be accepted. There will be a cash bar and snacks.
