Three Months in Palestine:

A Report on the current situation in the occupied West Bank

JOYCE & JOHN CASSEL of Oak Park IL spent the fall of 2012 in Palestine, as volunteers with The Ecumenical Accompaniment Program in Palestine and Israel. They are eager to share stories and insights from their experiences among everyday Palestinians with anyone interested in learning more about this important part of our world. Meet the Cassels and hear their report.

Champaign Public Library

THE ECUMENICAL ACCOMPANIMENT PROGRAM IN PALESTINE AND ISRAEL, a program of the World Council of Churches, brings internationals to the West Bank, to experience life under occupation. Ecumenical Accompaniers (EAs) provide protective presence to vulnerable communities, monitor and report human rights abuses, and support Palestinians and Israelis working together for peace. The 45th EA group included 33 persons from 17 countries. John’s team focused on Bethlehem, and Joyce was part of the team in Hebron. When they return home, EAs campaign for a just and peaceful resolution to the Israeli-Palestinian conflict through an end to the occupation, respect for international law, and implementation of UN resolutions.

EAPPI celebrated its 10th Anniversary in November 2012. Joyce and John Cassel, had the privilege of participating in this program from September to November, 2012. Their presentation will explore the current situation of Palestinians living under the Israeli occupation in the West Bank. They may also consider the *Kairos Palestine* and *Kairos USA* documents as a way to think about what is at stake for the Christians, a small minority in the Holy Land.

This event is free and open to the public.
