

Concerning Violence

A showing of the 2014 film *Concerning Violence*, based on Frantz Fanon's classic book *The Wretched of the Earth*. Fanon was an anti-colonial, Marxist, revolutionary who was deeply involved in the Algerian war of independence. His work centered around the effects of colonialism and imperialism on colonized subjects.

“Imperialism leaves behind germs of rot which we must clinically detect and remove not only from our land but from our minds as well.”

- Frantz Fanon
